Johannes Treutler   2020-11-25 05:52:57.000 PM

Good guy but not that obviously to me that we need to hire him

Johannes Treutler   2020-11-25 05:53:00.003 PM

your thoughts?

Connor Nolan   2020-11-25 05:53:31.003 PM

He's smart and seems like he'd be hardworking. No crypto experience but we need the help right

Johannes Treutler   2020-11-25 06:01:19.003 PM

yeah I would tend to hire him as well .. just not as obvious for me than for example taner ;)

got it!!

Johannes Treutler	2020-11-25 10:07:16.010 PM

When is time for last order today? ... still on for 10 minutes?

Connor Nolan	2020-11-25 10:07:28.010 PM

yes but i need to send more coins

Connor Nolan	2020-11-25 10:07:47.010 PM

we also need to start discussing repurchase of coins we use to buy because it has gotten crazy

Johannes Treutler	2020-11-25 10:08:40.010 PM

what do you mean exactly?

Connor Nolan	2020-11-25 10:08:56.013 PM

we use BTC and ETH for these purchases right

Johannes Treutler	2020-11-25 10:09:01.013 PM

yes

Connor Nolan	2020-11-25 10:09:31.013 PM

and we never run numbers on how much of these purchases we have actually covered in int or to verify we arent eating into customer coins

Johannes Treutler	2020-11-25 10:10:30.013 PM

so you mean we should run numbers if we should also buy back in USDC / USDT as we get a lot of USDC USDT for CELs?

Connor Nolan	2020-11-25 10:12:10.017 PM

well like think of it this way: people who deposit stables or any other coin can also elect to earn in CEL, but we are only buying them in BTC/ETH

Connor Nolan	2020-11-25 10:12:14.017 PM

could lead to a shortfall

Connor Nolan	2020-11-25 10:12:35.017 PM

if so we would either need to cover that by rebuying BTC and ETH or by using stables to buy as well

Johannes Treutler	2020-11-25 10:12:49.017 PM

got it

Johannes Treutler	2020-11-25 10:13:13.017 PM

And I mean it would be great to buy in USDC USDT as well ..

Johannes Treutler	2020-11-25 10:13:27.017 PM

Ok so we need to run numbers ..

Johannes Treutler	2020-11-25 10:13:42.017 PM

good idea!!!

Johannes Treutler	2020-11-25 10:14:56.017 PM

Ok but first - have a great time tomorrow .. hopefully we won't have an emergency .. I'm a biiiiiiit concerned about having not enough restings haha but yeah it's only one day ☺

Connor Nolan	2020-11-25 10:15:44.020 PM

well if you want, send me suggested restings and I will set them in the morning. I can send 100 and 3k as we did last time

Connor Nolan	2020-11-25 10:15:54.020 PM

Connor Nolan	2020-11-25 10:16:01.020 PM
